

# THE RIGHT PARTS PRICED RIGHT.

Your customers deserve MINI Original Parts, and you deserve them at a fair price. Introducing new price reductions on the key parts that keep your business running.

**MINI ORIGINAL PARTS.**

# MINI ORIGINAL PARTS. BECAUSE EVERY PART COUNTS.

MINI Original Parts have always been designed, manufactured and tested to ensure proper performance. **New price reductions<sup>1</sup>** (based on MSRP) on MINI Original Parts for early R models (i.e. R50, R51, R52, and R53) can help keep your customers coming back:

| PART GROUPS<br>Early R Models | PRICE REDUCTION<br>Based on MSRP |
|-------------------------------|----------------------------------|
| Engines                       | 25%                              |
| Water Pumps                   | 25%                              |
| Superchargers                 | 40%                              |
| Alternators                   | 40%                              |
| Starters                      | 35%                              |
| Auto Transmissions            | 30%                              |
| Power Steering Units          | 40%                              |
| A/C Compressors               | 40%                              |
