

## *My reasons for using partslink24!*

### I am an enthusiastic partslink24 user, because ...

- I have quick and easy access to all required information **without** being dependent on my dealers' opening hours.
- with just **one** login I can find all available brands in partslink24.
- all **additional** newly added brands are covered automatically by my monthly license fee.
- I do **not** have to learn how to use different part programs for different brands.
- I have access to official original parts data provided by the **manufacturer**.
- I can check **prices** 24/7 to let me quickly quote my customer.
- I can **always** track my order status as I would in any other online marketplace.
- I am **guided** by the complete original parts data and illustrations of all available brands.
- I do not **miss** any parts when I am ordering thanks to the fitting parts recommendations.
- I get the **same** deal with my dealer doing business online as offline.
- I increase **customer satisfaction** because I can quickly find prices and stock availability.
- I can **order** online at any time.
- my online orders are **archived** automatically, I do not have to print them out anymore.
- due to the convenient **VIN** entry, I have all **vehicle specific** information available at a glance.
